

CVIR

SCIENTIFIC WRITING WORKSHOP

CVIR and AJIR are back to host another Scientific Writing Workshop on the occasion of the PAIRS 2024 congress.

The workshop will address key issues, including:

- improved manuscript structure
- international reporting guidelines
- defining a research question
- the peer-review process
- promotion of articles

CVIR AJIR

SCIENTIFIC WRITING WORKSHOP

hosted by CVIR and AJIR

Session 1: February 10, 11:00-12:30

Workshop Room 5

Time	Session Title	Speaker(s)
11:00-11:05	Welcome and introduction Editors-in-Chief Mohammad Arabi (AJIR) and Klaus Hausegger (CVIR) will welcome participants and give them an overview of the program.	Mohammad Arabi (AJIR) and Klaus Hausegger (CVIR)
11:05-11:15	How to define your research question A key question for researchers at all stages, defining the research question correctly can avoid pitfalls down the road. CVIR Editor-in-Chief Klaus Hausegger will cover this crucial step in research and share his insights on how to start your next study off right.	Klaus Hausegger
11:15-11:25	International reporting guidelines Drawing from decades of experience in research, Dr. Raman Uberoi will outline the importance of guidelines, why they exist, and of course, cover the most common ones and why you should be utilizing them.	Raman Uberoi
11:25-11:35	How to respond to reviewers CVIR Editor for Embolisation Tiago Bilhim knows a thing or two about peer-reviewing! He will share his wisdom in this session on how to address reviewer comments when submitting your revision.	Tiago Bilhim
11:35-12:30	Hands-on activity: practical example The speakers will guide participants through a dummy paper, working together to highlight what can be improved and what was done well. This session is designed to get the audience involved and to build on the skills highlighted in the short presentations given by the speakers using a practical example. Please note the papers used for each session differ in topic.	All speakers: Mohammad Arabi, Tiago Bilhim, Klaus Hausegger, Refaat Salman, Raman Uberoi

Speaker Information

CVIR Editor-in-Chief

Prof. Klaus Hausegger

AJIR Editor-in-Chief

Dr. Mohammad Arabi

CVIR Deputy Editor-in-Chief

Dr. Raman Uberoi

CVIR Section and Regional Editors

Prof. Tiago Bilhim and Dr. Refaat Salman

Session 2: Monday, February 12, 11:00-12:30

Workshop Room 3

Time	Session Title	Speaker(s)
11:00-11:05	<p>Brief introduction</p> <p>Editors-in-chief Mohammad Arabi and Klaus Husegger will give a brief introduction to this session and outline what will be discussed in this session.</p>	Mohammad Arabi (AJIR) and Klaus Husegger (CVIR)
11:05-11:15	<p>IMRAD structure</p> <p>Even the most interesting and scientifically valid research can fail to be published if not structured properly. Prof. Husegger will offer a guide on how to approach writing your paper applying the IMRAD structure, and give you some clues on where to get started.</p>	Klaus Husegger
11:15-11:25	<p>How not to get rejected</p> <p>CVIR Regional Editor Refaat Salman will draw on extensive review and editorial experience to give guidance on how to avoid common pitfalls that can lead to negative comments from editors and reviewers by using real-world examples.</p>	Refaat Salman
11:25-11:35	<p>How to maximize the visibility of your manuscript</p> <p>Once a paper has been accepted, it is critical for authors to understand how to get it in the hands of readers. AJIR Editor-in-Chief Mohammad Arabi will break down the key strategies, new tools, and media for disseminating your scientific research to a wider audience.</p>	Mohammad Arabi
11:35-12:30	<p>Hands-on activity: practical example</p> <p>The speakers will guide participants through a dummy paper, working together to highlight what can be improved and what was done well.</p> <p>This session is designed to get the audience involved and to build on the skills highlighted in the short presentations given by the speakers using a practical example.</p> <p>Please note the papers used for each session differ in topic.</p>	All speakers: Mohammad Arabi, Tiago Bilhim, Klaus Husegger, Refaat Salman
